## DRUG IMPAIRMENT TRAINING FOR EDUCATIONAL PROFESSIONALS

This training is intended to provide school administrators and nurses with a systematic approach to recognizing and evaluating individuals in the academic environment who are abusing and/or impaired by drugs, both legal and illegal, in order to provide early recognition and intervention.

This one day course covers the following:

- Drugs in Society
- Policy, Procedures and Roles
- Overview of Alcohol
- Drug Identification, Categories and Their Effects
- Contacting the Parents

Class is geared toward administrators, teachers, nurses, counselors, school resource officers, security officers, and other staff who regularly interact with students.

Class is facilitated by the Idaho State Police
